

lola pdf

Lola is inspired by the classic crew neck sweater, which is the ultimate cozy garment. Lola ties in feminine elements, giving this comfortable, classic style a sleek update This slip-on dress features an angled waistline, with front and back princess seams, which give soft shaping to this sweater style.

This book is the collection of 18 Padmarajan stories, including the well known story Lola. 18 love stories 18 different views from the author. If we consider the period of origin and the theme it handled of all stories, we will understand that these stories are pretty unconventional for that society. I enjoyed the read, hope you do the same.
