Add utility features (languages, proficiencies, etc.) to a relic or a relic set. Make benefits that scale with the number of a set's relics you have. Make a single relic that can hold many soul fragments (so many sets of abilities) that you can acquire through meditation or visiting temples, monasteries or sacred places of legend.

Answer #2: This is [unintentionally] misleading and unclear. You want to use the far right columns of the .pdf 'Sheet' and work down the column, traveling to each system in the order listed. The far right column shows cumulative data sets collected from each site, or millions of credits. Use the other link for planet/site locations and site maps.
