Research Methods: The Basics - USP

A wide-ranging critical survey of methods for historical research at all levels. Historians have become increasingly sensitive to social and cultural theory since the 1980s, yet the actual methods by which research is carried out in History have been largely taken for granted.

Research Methods for History - Edinburgh University Press

Historical method comprises the techniques and guidelines by which historians use primary sources and other evidence to research and then to write histories in the form of accounts of the past. The question of the nature, and even the possibility, of a sound historical method is raised in the philosophy of history as a question of epistemology.

Historical method - WordPress.com

Conducting Historical Research Gathering facts about an individual, group, event, locality or organization““researching““is a vital step in any attempt to interpret the history of social, cultural, economic and political developments of earlier generations. Pertinent historical data is occasionally at hand,

4 Historical Research - gimliheritage.ca

historical research Historical research can begin with any subject or piece of historical evidence that inspires you ““ it could be a photograph, a letter, a building near your home or a history programme on television or radio. This guide will help you undertake your own research. There is

A guide to historical research - BBC

footnotes for any research paper in history. Parenthetical citations are unaesthetic; they scar the text and

break the flow of reading. Worse still, they are simply inadequate to capture the richness of historical sources. Historians take justifiable pride in the immense variety of their sources.

WRITING A GOOD HISTORY PAPER - Hamilton College

Pure research involves developing and testing theories and hypotheses that are intellectually challenging to the researcher but may or may not have practical application at the present time or in the future. The knowledge produced through pure research is sought in order to add to the existing body of research methods.

RESEARCH METHODOLOGY - IHM Gwalior

research it is useful to distinguish between two different styles of research: theory testing and theory building (Figure 1.2). Theory building Theory building is a process in which research begins with observations and uses inductive reasoning to derive a theory from these observations.
