Third gender or third sex is a concept in which individuals are categorized, either by themselves or by society, as neither man nor woman. It is also a social category present in societies that recognize three or more genders. The term third is usually understood to mean "other"; some anthropologists and sociologists have described fourth, fifth, and "some" genders.

The stated aim of the World Trade Organization (WTO) is to "ensure that trade flows as smoothly, predictably and freely as possible". However, it is important to note that the WTO does not claim to be a "free market" organization. According to the WTO, it is "sometimes described as a 'free trade' institution, but that is not entirely accurate.
