rising from meltdowns and pdf

A nuclear meltdown (core melt accident or partial core melt) is a severe nuclear reactor accident that results in core damage from overheating. The term nuclear meltdown is not officially defined by the International Atomic Energy Agency or by the Nuclear Regulatory Commission. However, it has been defined to mean the accidental melting of the core of a nuclear reactor, and is in common usage ...

These disparities are growing despite the fact that over the past two decades, closing the test-score gaps between affluent and poor children has been a central aim of national education policy, as embodied in President George W. Bush's No Child Left Behind law and President Barack Obama's Race to the Top program.

Helping Children Succeed – What Works and Why

Your child needs you to help them change rather than demand they change. An aggressive child is a stressed child, but aggression is the behaviour that generally elicits the least care and empathy from adults, but sadly it's when they need our sensitivity the most. If we could respond to very out of balance behaviour with some of the same qualities that we respond to physical illness, we'd ...

A newly released study, produced with help from eight universities, found some good news. Between 1993 and 2009, the global impact of human activities on the terrestrial environment is expanding more slowly than the rates of economic and/or population growth.

WOA! - Sustainability, Resource Depletion

Perceived failure to reduce greenhouse gas emissions has prompted interest in avoiding the harms of climate change via geoengineering, that is, the intentional manipulation of Earth system processes. Perhaps the most promising geoengineering technique is stratospheric aerosol injection (SAI), which ...
