The FSB agreed in early 2015 a workplan on measures to reduce misconduct risk which, was sent to the June G20 Deputies meeting, to examine: • whether the reforms to incentives, for instance to risk governance and compensation

Measures to reduce misconduct risk

Risk society is the manner in which modern society organizes in response to risk. The term is closely associated with several key writers on modernity, in particular Ulrich Beck and Anthony Giddens. The term was coined in the 1980s and its popularity during the 1990s was both as a consequence of its links to trends in thinking about wider modernity, and also to its links to popular discourse ...

The cultural theory of risk, often referred to simply as Cultural Theory (with capital letters; not to be confused with culture theory), consists of a conceptual framework and an associated body of empirical studies that seek to explain societal conflict over risk. Whereas other theories of risk perception stress economic and cognitive influences, Cultural Theory asserts that structures of ...
