

role of government in pdf

The Air Commerce Act of 1926 created an Aeronautic Branch of the United States Department of Commerce. Its functions included testing and licensing of pilots, certification of aircraft and investigation of accidents. In 1934, the Aeronautics Branch was renamed the Bureau of Air Commerce, to reflect the growing importance of commercial flying.

United States government role in civil aviation - Wikipedia

The Government Digital Strategy sets out how government will redesign its digital services to make them so straightforward and convenient that all those who can use them prefer to do so.
