Homeschooling, also known as home education is the education of children at home or a variety of other places. Home education is usually conducted by a parent or tutor or online teacher. Many families use less formal ways of educating. "Homeschooling" is the term commonly used in North America, whereas "home education" is commonly used in the United Kingdom, Europe, and in many Commonwealth ...

@Amy, You are definitely correct that there are not graduation requirements for homeschools in Texas. However, there are admission requirements for colleges, and most of the time their minimum requirements are the state guidelines. Our local university, for example, requires homeschoolers specifically to meet that minimum standard.
