The God issue: New science of religion. In our enlightened world, god is still everywhere. In the UK, arguments rage over "militant atheism" and the place of religion in public life. In the US ...

### **The God issue: New science of religion | New Scientist**

Scientific Proof of God \_ Science and the Supernatural (pdf) ... This is the first debate in which I postulated my scientific proof for the existence of God. The occasion to discuss this proof presented itself when an atheist commented on a discussion that I had presented over the radio regarding a particular law in the state of Alabama.
