The architecture of England is the architecture of modern England and in the historic Kingdom of England. It often includes buildings created under English influence or by English architects in other parts of the world, particularly in the English and later British colonies and Empire, which developed into the Commonwealth of Nations.. Apart from Anglo-Saxon architecture, the major forms of non ...

Thayendanegea or Joseph Brant (March 1743 – November 24, 1807) was a Mohawk military and political leader, based in present-day New York, who was closely associated with Great Britain during and after the American Revolution. Perhaps the Native American of his generation best known to the Americans and British, he met many of the most significant Anglo-American people of the age, including ...
