Six Thousand Years of Bread: Its Holy and Unholy History

world was created out of nothing about six thousand years ago. The nice thing about this view is that it didn't require any elaborate explanations to account for why the universe and the earth appear to be old. To the pre-scientific mind the universe looked to be about six thousand years old, and as they say, "that was that" neat and simple.

The Bible and Creation - Biblical Reader

For six-thousand years, the race of Adam will work. After that a Sabbath Rest. Mankind was given six-thousand years to complete their work, then the day of rest would begin. That was a commonly accepted truth among the early Church Fathers. The evidence is growing as newly discovered documents support this interpretation of scripture.
