A study of the cultural geography of Latin America will introduce the tremendous ethnic diversity of this region. It highlights how history and the blending of native and imported cultures have influenced how people live in Latin America . Section 1: Mexico The characteristics and distribu-tion of cultures influence human systems.

Chapter 9: Cultural Geography of Latin America

display world and U.S. maps on the wall and provide extras for students to share and examine. Map-reading skills are important and, at the intermediate level, students generally know everyday directional language. However, they may need help with some new geography vocabulary. The lesson includes a handout with a blank map of the United States.
