Illuminating the Shadow Transmuting the Dark Side of the Psyche by David Furlong (2016) Read what others have said about the book. David Furlong's latest book, Illuminating the Shadow, is a wonderful, erudite account of the human psyche, particularly in its wounded and hidden aspects. First we are introduced to the concept of the Shadow in films, literature, myth, metaphor and Fairy Tales, before learning how it manifests at a personal, public and collective level.
