As I shared with our first set of printable Body Shape Cards (click the link to download), making body shapes has always been a popular activity with the children I have taught and my own kids.. The activity is simple to do – use your body to make a series of shapes. It's great for developing spatial and body awareness, body control, co-ordination and balance.

A baby is born into the world with around 100 billion brain cells (neurons), give or take a few million. The brain is so important to the human species that four weeks after conception, an embryo produces half a million neurons every minute. In fully developed humans, a complex system of 300 million neurons connects [â€¦]

The 2018 FIFA World Cup was the 21st FIFA World Cup, an international football tournament contested by the men's national teams of the member associations of FIFA once every four years. It took place in Russia from 14 June to 15 July 2018. It was the first World Cup to be held in Eastern Europe, and the 11th time that it had been held in Europe. At an estimated cost of over \$14.2 billion, it ...
