Yes, with pleasure. First, please write to the musician Ron Sexsmith, after whom the font is named, and get him to change his name. You may also want to write to Sexsmith, Alberta, Canada, and see if you can get them to change their name before any of your students inadvertently consult a map. Christian rocker Paula Sexsmith ought to be in your sights as well; don't let her feel left out.

5. Summary: Elaborate usability tests are a waste of resources. The best results come from testing no more than 5 users and running as many small tests as you can afford. Some people think that usability is very costly and complex and that user tests should be reserved for the rare web design project with a huge budget and a lavish time schedule.
