T. here are basically two types of preppers getting ready for SHTF, those who are ready and willing for a fight and those who will avoid a fight as long as possible but fight back when needed.. If you're in the latter camp, who would prefer to avoid a fight as long as possible, then you will need to become an expert at deceptive strategies and how a prepper can apply them to survive.

10 Deceptive Strategies and how Preppers Can Apply Them

Deception is an act or statement which misleads, hides the truth, or promotes a belief, concept, or idea that is not true. It is often done for personal gain or advantage. Deception can involve dissimulation, propaganda, and sleight of hand, as well as distraction, camouflage, or concealment. There is also self-deception, as in bad faith. It can also be called, with varying subjective ...

Brain training (also called cognitive training) is a program of regular mental activities purported to maintain or improve one's cognitive abilities. It reflects a hypothesis that cognitive abilities can be maintained or improved by exercising the brain, analogous to the way physical fitness is improved by exercising the body.. Although there is strong evidence that aspects of brain structure ...
