We want you to be able to make an informed decision, no matter what option you may choose. The information in these pages can help you think through your options.

### **NAF Hotline Fund - National Abortion Federation**

Notice when you've missed your period. A missed period is often one of the first signs that you may be pregnant. If you go past your expected start date by a week or more, that could be an indicator that you're pregnant.

### **How to Know if You are Pregnant - wikiHow**

So far, I have yet to hear of much cyber-framing going on with people doctoring up emails and the like to turn you in. This is, incidentally, the biggest reason to lock your damn computer whenever you get up from it, it's very easy to send an email from your account, from your computer, that will ruin your career before you can get back from taking a piss.
